Current benefit type Invalids Benefit

Futher assessment required (if yes, complete Recommendation field): Yes

Recommendation Meets SB eligibility

Comments: Notes on behalf of the RHA

Diagnosis: Personality disorder, anger issues episodic depression and alcohol misuse

RHA recommends: DD recommends transistion to Sickness Benefit with engagement to look for work DD states client is not eligible for Invalids Benefit he can certainly work at least 20 hours per week and every effort should be made to get hm off benefits and into work SB to continue meantime. Engagement with EC to look at work

Assessed Designated Doctors report by Dr L on 30 June 2010

Medical certificate is consistent with Sickness Benefit

Client does not meet medical eligibility for IB
